

Testimony in support of HB 2006

- There is no reason for a young person to purchase or possess a weapon of war.
- Several recent mass shootings (Bend Safeway, Parkland, Uvalde) we perpetrated by young men younger than 21.
- We know that more gun laws mean fewer gun deaths. These laws work.

Weapons of war have no place in civilian hands – much less the hands of an impulsive civilian with an underdeveloped frontal lobe.
