

Submitter: C Scott Davis  
On Behalf Of: Believers of the Constitution  
Committee: House Committee On Judiciary  
Measure: HB2006

Another unconstitutional law supporting tyranny against lawful citizens. What part of "Shall not be infringed" don't you people understand? Some of you legislators support the right of 16 year olds to vote or 18 year olds to die on the battlefields but you want to deny the god given right of self defense to 18 to 20 year olds. Shame on you.
