

NO, NO & NO on all upcoming Bills HB 2005, HB 2006 & HB 2007 Anti-2nd Amendment Rights

NO to HB 2005 – Don't we have enough criminals committing crimes with "illegal firearms"? Why do you continually make it harder for the law abiding citizens to protect themselves? I have an epiphany for you: Once the working citizens, that pay taxes (this is where your paycheck comes from) leave, you'll be left with the non-working criminals! I can almost guarantee they don't care if you get paid or not...

NO to HB 2006 – Enforce the law's already on the books! Have you ever heard of KISS (Keep It Simple Stupid)! Why do you look for ways to make people criminals? Have you ever heard of "People will do what is expected of them"? If you charge them as a criminal, more than likely they'll try to live up to your standards!

NO to HB 2007 – As far as our education system goes – it's useless, but I support teachers being able to protect themselves! I'm sure there are still a few good ones out there!
