

Submitter: Amanda Reed
On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB2005

I am writing in support of HB 2006 to raise the age to purchase and possess semiautomatic rifles to 21. Also supporting HB 2005, prohibiting undetectable, untraceable firearms.

SB 551, requiring every school district to distribute and publish information about the secure storage of firearms and medications should be supported, as well as HB 3060 which would give incentives to gun-owners who take the secure storage of their firearms seriously.

Please also continue to invest in statewide community violence intervention programs.

Oregon lawmakers— PLEASE do everything you can to see measure 114 implemented and put into effect.

Sincerely
Amanda Reed
