

Submitter: Bill Flesher

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure: SB611

It's clear that rent control is not working in and around the State of Oregon. Rent control only gaurantees that landlords will raise the rent as much as allowed and not let the market control a living economic environment. This bill will make things even worse and doesn't address the root cause of housing instability. You need to focus on the creating supply not rent control.
