

Submitter: C DeVries
On Behalf Of: my daughters
Committee: House Committee On Judiciary
Measure: HB2006

I oppose this bill strongly! This does nothing from keeping guns out of the black market, which is where gang members and others who want to do harm get most of their guns, but it prevents young people from protecting themselves and from learning gun safety from a young age. This bill only lets criminals and would-be criminals know that every woman younger than 21 is a target for rape, armed robbery, or assault. Please let my daughters continue to have the freedom to protect themselves, as well as to hunt, by opposing this bill. Thank you.
