

Submitter: sufi Olsen

On Behalf Of:

Committee: Senate Committee On Natural Resources

Measure: SB85

I fully support SB85-1 and oppose the -3 amendment. . Please stand up to industry pressure and support a full factory farm moratorium and OPPOSE the -3 amendment. This is necessary for animal welfare and environmental impact (and voters like me), not good and not ok with me. Think about this, it's not a matter of are they intelligent, it is a matter of do they suffer? Yes they do.

Thank you.
