My name is Keira Thepharat, I'm sixteen and currently a sophomore of David Douglas. I am also an apprentice of the ACE (Architect Construction Engineering) Mentorship.

I have a lot on my plate, which is why I enjoy this cooking club so much. It is a place where I can relax and have fun with my friends during the week. Along with learning new skills, new recipes and becoming more comfortable with the kitchen. It's always so exciting to see what we will cook next each and every week. :)
