

Submitter: Carol Robbins  
On Behalf Of:  
Committee: House Committee On Judiciary  
Measure: HB2007

I am a long time citizen of this state. I have had my concealed carry permit for many years and I am a law abiding citizen. This bill will make my ability to protect myself non-existent when I am near any public building that as a taxpayer, I pay towards. I studied very hard to get this carry permit and I am proud to be able to protect myself (hopefully there will never be a need for it). With this bill you want to make me the bad guy and put me in prison for protecting myself. You work for the taxpayers of Oregon and you should be representing ALL of us. I am OPPOSED to this measure (as many are) and I request that you do not move this bill forward. Make this bill go away and not become law.

There are many citizens that have this right to carry. I urge you to say, NO to HB 2007.

Thank you!
