Measure: HB2002

This is a very bad bill for Oregonians. We already allow abortion in this state to the point of disgust but this is just evil. I have a wonderful 3 year old granddaughter and I cannot imagine the thought of her being able to make decisions that will affect her the rest of her life. This bill needs to go to the voters for a decision. I cannot believe that this bill was even drafted let alone being pushed forward.

I OPPOSE THIS BILL AND ASK FOR IT TO NOT MOVE FORWARD.
