On Behalf Of: HB 3333

Committee: House Committee On Early Childhood and Human Services

Measure: HB3333

Chair Nosse and members of the Committee

My name is Tim Murphy and I am the CEO of Bridgeway Recovery Services in Salem Oregon.

We provide both Mental Health and Addictions Treatment to both adolescents and adults in outpatient and residential settings. We strongly support this common sense approach to overseeing and supporting treatment providers that allows them to both train and develop professional staff who provide much needed services to our youth and young adults.

Please support HB 3333
