Committee: Senate Committee On Judiciary
Measure: SB527

This is unconstitutional. Yet I know democrats don't mind that at all.
But stop intruding on the private business of dealer, collectors, repairers of firearms.
It's really NONE of your business. Sure, social democrats think they can regulate
capitalism, but hey, NO you can't! Leave the people alone.
There is simply NO NEED for this law. None.
I ask that you vote against passage of SB527
Thank you.
