

Submitter: Leslie D
On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB2005

I am writing to support HB 2005. Firearms are the leading cause of death for children in our country. As a mother of three young kids, I need to do everything I can to protect them and that includes eliminating "ghost guns." All kids should feel safe at school and in our community. Background checks and serial numbers are an essential part of gun safety. Thank you.
