

Submitter: Patrick D
On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB2006

Dear House Committee,

I am writing in support of HB 2006. Teenagers are not mature enough to own a lethal weapon and should not be allowed to purchase or possess fire arms. Now is not the time to scale back gun safety, it is the leading cause of death for people under 18 years old.

Thank you.
