

Submitter: Paul Diller
On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB2006

Dear Chair Kropf, Vice-Chair Andersen, and Vice-Chair Wallan,

Thank you for considering HB 2006, which I urge you to support. So many of our senseless mass shootings in recent years have been committed by misguided young men between the ages of 18 and 20: Uvalde, Sandy Hook, Buffalo, the list goes on and on. Restricting the possession of semiautomatic rifles in this age range can help prevent another such massacre here in Oregon or elsewhere. As a father of two boys, I worry every day about a mass shooting at their school or in some other public place. Please pass HB 2006.

Sincerely,
Paul Diller
