Measure: HB2007

HB 2007 would be a violation of the peoples God given rights under the Constitution and the Bill of Rights. If HB 2007 passes this would be a violation of a law-abiding citizens and could cause irreparable harm. HB 2007 not only violate the second amendment, but also the fourteenth amendment. Hb 2007 is also discriminatory to the law-abiding citizen who has the right to defend them self from a potential life-threatening situation. This would be punishing the law-abiding citizen form exercising their inalienable God given right under the Constitution and the Bill of Rights. HB 2007 would be a form of corporal punishment and that is against the Constitution as well. Hb 2007 would strip the rights of the law-abiding citizen to keep and bear arms. The U.S. Supreme Court had recently ruled that the people have the right to keep and bear arms in the public too.
