

Submitter: Marianne Zuckerman

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB2006

Chair Kropf, Vice Chairs Andersen and Walan and members of the House Judiciary Committee:

I am a mother of three and an elementary school tutor. I implore you to pass this bill and make it more difficult for younger citizens to gain access to a gun. It makes no sense to me that a young person needs to possess a firearm. Many of these senseless acts of gun violence are committed by young adults; please do something now to help!

Thank you
