

Submitter: Marianne Zuckerman

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB2007

Chair Kropf, Vice Chairs Andersen and Walan and members of the House Judiciary Committee:

People of this country have a right to feel safe in their home, school and place of employment. Passing this bill provides one more assurance of protection from gun violence in a public space. As an educator and mother of three, I implore you to pass this bill.

Thank you
