

Submitter: C Neubert

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB2005

I strongly oppose this bill. This bill will not have an appreciable on crime. Most criminals steal or buy stolen firearms from other criminals. There is a tradition of making firearms in this country, the vast majority of which are not used in crimes. Let's focus on enforcing the laws on the books and keeping society safe from real criminals and not punishing the law abiding citizen.
