On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB2007

March 21, 2023

To Members of the House Committee on Judiciary,

Like many Oregonians, I am deeply concerned about our state's rising gun violence epidemic. One way we can help make our community safer is by strengthening public safety on municipal property. By supporting HB 2007, you can help local governments keep sensitive areas safer by giving them the authority to prohibit all guns on municipal property if they choose to do so.

Thank you for your consideration,

Jen Barth
