

Submitter: Rob Taylor

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB2006

To the members of the House Committee on Judiciary,

I vehemently OPPOSE HB2006.

Founding Father James Monroe was born in Westmoreland County, Virginia, in 1758 and was only 18 years old when he fought with distinction in the Continental Army. Every war that has been fought for the United States of America has been fought by young men 18, 19, and 20 years old.

If we can send these young adults to fight and die on foreign lands to defend our rights here in the homeland, then we should not be violating their Second Amendment rights to bear arms when they are law-abiding citizens here in the state of Oregon.

Vote no on HB2006.
