

Submitter: James Erb  
On Behalf Of: HB 2006  
Committee: House Committee On Judiciary  
Measure: HB2006

If you are able to vote and serve in the military then you should be able to legally purchase a firearm for your protection. Given the state of Oregon's criminal justice system the right to exercise our constitutional right to bear arms that is enshrined in the bill of rights is more important than ever.
