

Submitter: Kevin Buford  
On Behalf Of:  
Committee: House Committee On Judiciary  
Measure: HB2007

Please don't pass this bill. Concealed Handgun License holders are the least likely individuals to commit violent acts with a firearm. The reason for the Concealed Handgun License is to allow vetted individuals to carry a handgun for self defense at all times and at all places. Criminals who intend to do harm to others with a firearm are not going to be persuaded by this bill.
