

Re: Support for Senate Bill 406

Dear Chair Jama, Vice-Chair Anderson and Committee Members,

My name is Dave Benneth. I am a member of the Tillamook County Housing Commission and I'm writing to share my support for SB 406. If adopted this legislation would provide Tillamook County with housing development support and opportunities to increase the availability and affordability of housing on the Oregon Coast.

With Respect,

Dave Benneth
