Committee: House Committee On Judiciary
Measure: HB2005

Chair Kropf, Vice Chairs Andersen and Walan, and members of the House Judiciary Committee:

I am writing in support of HB 2005 and ask that you pass the ban on undetectable ghost guns. I support a grace period and the chance for people to register their guns to bring them into compliance or dispose of them legally. If that is well noticed those that still have guns are choosing to violate the law. As a high school student, aged 18, I have been living in fear of school shootings my entire life. I was in 2nd grade during the Sandy Hook shooting. I don't want to fear having undetectable guns loose in our community in the hands of those who could not pass a background check as another fear. Please pass this out of committee.

Thank you,
Talia Wexler
