I am writing in strong support of HB 2006- raising the minimum age to purchase a semi-automatic rifle from 18-21. As a mother and community member, I want to live in a neighborhood free from gun violence.

It is unbelievable that an 18-year-old is unable to purchase a handgun, but under the current law, they can purchase a semi-automatic weapon. Please use common sense and pass HB 2006 to prevent teenagers from purchasing deadly assault weapons!

Lawmakers should support HB 2006, which would raise the age to purchase a possess semiautomatic rifles to 21 years old.
