

Submitter: Peter OBrien  
On Behalf Of:  
Committee: House Committee On Judiciary  
Measure: HB2006

I oppose this bill as it is in direct opposition to the Second Amendment of the US Constitution. Millions of American Citizens have grown up using firearms since their youth and millions are continuing this practice today. This bill is radically insensitive toward this super-majority of firearm owner/users who are responsible, respectful and loyal citizens. This bill criminalizes good people and has no effect on criminals who have no regard for the rule of law.
