Measure: HB2006

I oppose this bill as it is against the US Constitution as well as Oregon's Constitution. Citizens have the right to join the military and die for their country at 18yrs old but can not possess a firearm that is a protected right under the 2nd amendment of the United States Constitution? It appears that the peoples representatives and school boards feel that children are mentally capable of deciding what sex they are in 3rd grade, but not mentally mature enough to use a tool? Yes, a firearm is just a tool, same as a vehicle. Both can be misused. This Bill would do nothing to curb violence, please vote against it.
