

Submitter: Emily Blakely
On Behalf Of: Emily Blakely
Committee: House Committee On Judiciary
Measure: HB2006

HB 2006, in my opinion, would violate the US Constitution for individuals to have the right to bear arms. It would be unconscionable in light of the fact that our country inducts 18-year-olds to serve in the Armed Forces. They are trained in all kinds of weaponry and they should never be denied the right to own a firearm.
