Measure: HB2006

As a mother and a pediatrician, I support this bill to increase the age for gun ownership.

There is no reason for a young person to purchase or possess a weapon of war. Several recent mass shootings (Bend Safeway, Parkland, Uvalde) were perpetrated by young men younger than 21.

We know that more gun laws mean fewer gun deaths. These laws work. Our children deserve to go to school without fear of being killed. This will help move us in that direction.

Sincerely  
Cigdem Toroslu, MD
