

Submitter: Troy Spence

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB2006

We allow the youth to drive at 15, go to war for us at 18, and there is even an insane push to reduce the voting age to 16. Restricting their 2A constitutional right as adults from 18-21 is abhorrent. These young adults will save people's lives, but instead you try to take their rights and safety away
