

Submitter: Jayce Lay
On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB2007

One of the only things that can stop a bad guy with a gun, is a good guy with a gun. The criminals do not and will not follow your laws. Do not disarm your law-abiding citizens. If this law passes, it will be an infringement on our second amendment rights. It is the right of the people to keep and bear arms.

Mass public shootings in gun-free zones:
1950-may 2022

Not a gun-free zone: 4%
Gun-free zone: 96%

That ought to tell you something.
