

Submitter: Jennifer Rossetti
On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB2007

Another Salem bill created from power and fear.

CHL carriers have gone through multiple background checks and are the safest of all gun owners.

Each person has the right to protect themselves.

Salem shouldn't be looking at more power and restrictions. Salem should be removing laws and looking at ways for less government. Oregon should be a Constitutional Carry State.
