On Behalf Of:

Committee: House Committee On Behavioral Health and Health Care

Measure: HB3090

Dear Chair Nosse and Members of the committee.

My name is Theresa Ball and I am from Baker City, Oregon. I am writing to you in opposition of HB3090 which will implement a Vape Ban in Oregon. I have been smoke free for over ten years and I used flavored vapes to help me to stop smoking. HB3090 will only hurt the adults who use vapes to stop smoking. We need better enforcement of current laws-not new ones that are ineffective. I am asking you to please vote no on HB3090.

Theresa Ball
