

Submitter: Chip Mayes
On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB2007

To whom it may concern I understand that you are being pressured to accept legislation that will cost great amounts of taxpayer dollars to try to defend in a court case that once it makes its way through the system will be determined unconstitutional. This HB2007 will not stop the problem you attempting to fix. Younger people wanting to do harm are going to do harm with little regard to any law that you are attempting to pass.
