

Submitter: Scott Springer

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB2007

Disallowing law abiding citizens their rights will make it easier for evil doers to victimize Oregonians and will not prevent any evil doer from illegal carry and use of any weapon. The Supreme court has upheld that the bearing of arms for lawful purposes is a protected right that legislators are trying to deny Oregonians in violation of their oaths of office.
