

Submitter: Kevin Smith

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB2006

I oppose HB 2006. You can vote and go to war in this country at the age of 18, but not purchase a semi automatic rifle or any rifle for that matter. If this bill passes, you might as well petition to raise the age for fighting for our country and voting to 21. This bill passes it will be shot down as unconstitutional and be wasting my tax dollars held up in bureaucratic red tape.

Please reject HB2006
