Measure: HB2005

I oppose bill HB 2005. HB2005 would create a craziness of regulated spaces that one would never be able to navigate and impossible to traverse. It would, without a doubt make good, law abiding, Oregon citizens, lawbreakers. As a 72 year old male, trained and legally holding a conceal carry license, it is my constitutional right to protect myself and my family from physical harm. Why, for heaven's sake are you attacking law-abiding citizens? We, who follow the law, are being punished, illegally mind you, for the crimes of people who disregard the law, illegal immigrants, mentally ill and homeless people. This is almost certainly unconstitutional for the unpredictabilities it would create and the limits it would place on the law abiding citizens of Oregon. Again I oppose bill HB2005. I ask of you, I plead with you, do not pass this nightmare of a bill and take away my constitutional rights and freedoms I am entitled to as an Oregonian.
