

Submitter: Susan Calhoun

On Behalf Of:

Committee: Senate Committee On Rules

Measure: SB168

Why is time being wasted on this bill? I worked for the State of Oregon for 30 years and in all that time public employees have never been allowed to promote or oppose anything political during working hours or working in official capacity. Someone in my office got in trouble for having a political tee shirt in their office that was out of the site of public view. This bill is a total waste of time.
