Measure: HB3390

I strongly oppose this bill. The passing of this bill will negatively impact a vast majority of Oregon constituents across the state, especially those whose livelihoods and heritage rest in everything this bill is trying to outlaw. The residents in the more rural areas of our state who have deep roots in Oregon have been underrepresented in our government and we cannot take their freedoms and livelihoods away from them. Please do the right thing for the majority of Oregonians. Thank you.
