Measure: HB2006

Hello, I oppose HB2006. I feel it is unconstitutional to deny American citizens their RIGHT to possess a firearm at 18. I believe if you are at the legal age to vote and help make decisions in this country or join the military and fight for this country you should also have the right to purchase and possess a firearm. I feel this is wrong and so do many oregonians. Just look at measure 114, it passed but it isn't implemented yet because its unconstitutional and stuck in the courts. Please I ask that you oppose HB2006. Thank you for listening to my comment.
