

Submitter: Stephen Kopshever

On Behalf Of:

Committee: Senate Committee On Health Care

Measure: SB60

I oppose this bill. As a current Oregon paramedic and a previous California paramedic, I have a unique perspective. I believe the overall prehospital quality of care is better here in Oregon. I do believe that is a direct result of holding our paramedics to a higher standard in education. As others have stated, this is a step backwards for our state.
