

Submitter: Danette Ficken

On Behalf  
Of:

Committee: House Committee On Emergency Management, General  
Government, and Veterans

Measure: HB2948

This bill and this request for funds is so very important. These grounds are literally falling apart, and it is imperative that the buildings and grounds receive much needed repairs so that the OSFEC can continue to host not only the Oregon State Fair and to be utilized for Emergency Management, but to also be able to provide year-round Exposition services to our community. Please consider passing this bill.
