Of: Fairgrounds

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure: HB2948

I have personally benefited by the ability to house my family and our large animals a country fairgrounds during floods and fires. The space provided by these facilities is invaluable when a disaster occurs that requires a location where people and animals are in need of a safe space to weather disastrous situations. Please help these facilities stay prepared to assist in times of need by passing by passing HB2948.
