Measure: HB2005

I strongly oppose HB2005 and I'm asking you to do the same. This bill will undoubtedly put a lot of manufacturers that sell parts out of business. If someone wants to build a firearm to make it better for their personal use, this right should not be taken away. Criminals will always find a way to get firearms no matter what the law, this will only punish the law abiding citizens not the criminals.

Thank you -
Allen
