

Submitter: Jesse Wiper

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB2006

Much ink has been spilled on both sides of this issue before us. I feel it's a waste of ink creating new bills without enforcing current laws in the books. A 20-year-old on leave for military risking his life for our country should be able to embrace his second amendment right without question. This is one of many reasons I oppose HB2006
