Measure: HB2007

I oppose HB2006. Stop the assault on our 2nd Amendment Rights as enumerated in the US Constitution and non-enumerated rights addressed with the 9th amendment. "Gun Free Zones" do not work. "Gun Free Zones" are open to criminals with bad intent. Where a citizen is "not allowed" to carry a firearm, more will be in dangerous situations. Violent criminals don't follow the law, and police cannot be everywhere all the time.
