

Submitter: Janet Willius

On Behalf
Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure: HB2948

I saw 1st hand how much our Fairgrounds where needed when the fires swept thru the Valley, Sept 2021 . Within a few hours the stalls were full , most of the stalls were able to accommodate our loved ones but in very much disrepair . The Fairgrounds for many is full of fond memories but in these times of need we have to have them to support our farm communities.
