

Submitter: Heather Cooke

On Behalf Of:

Committee: Senate Committee On Natural Resources

Measure: SB85

I am an organic vegetable/herb farm in Aurora. A chicken CAFO has underhandedly snuck in here without public comment, on Ehlen Rd, Donald. We are furious as it is 1/2 mile from us. We will have to smell it, deal with the dust and air quality and water run off and possibly contamination of our well. I am fully against raising animals in this way.
