Committee: House Committee On Judiciary

Measure: HB3390

To the Chair and Members of the Committee, as an Oregon resident, I strongly support House Bill 3390 prohibiting the sale of new fur products in our state. It is time we evolve as Oregonians and lead the nation in humane treatment of all beings. Animals should not be for entertainment and are never treated well when they are trained and forced to perform acts that are not instinctual or done in the wild for their survival.

Respectfully,  
Danielle Wood
